

AMS PTO Meeting Minutes 2023-11-21 - AMS Media Center, 4pm

### **Attendees**

Kelly Conner, Treasurer  
Tracy Di Marco White, President

Brandy Cunningham, Member  
Jason White, Secretary

### **Call to Order - Welcome**

- Should we have a sign out front for the upcoming PTO meeting? Given the 4pm start time, might snag some parents picking up students.

### **Unfinished Business**

None.

### **New Business**

- Pad Program (feminine hygiene) - provides free pads to AMS students. The students who started it have moved on to High School. A couple AMS students have taken over at AMS, but they don't appear to have an advisor. Likely can't provide funds to a group of students not in a registered club. Tracy and Jason will investigate more and report back at the next meeting. School appears to be funding free pads via the nurse.
- Front office requests.
  - Are these priority spaces for improvements?
  - Are they already on a maintenance list?
  - How high up can Windows coverings be? Opaque or like the front doors, see out but not see in.
- Food for next PD day. January?
- Pizza Palooza? Trivia Night? Ask on the list if anyone is interested in planning this.
- Will there be a Spring version of Family Engagement Night? If so, probably still blocks pizza palooza?
- Does Boston know how much the PoP fundraiser will raise for the PTO?
- Get a table for Winter Wonderland.
- Do we want to do candy grams? Probably Valentine's day. Possibly one of the student clubs would want to do this?
- Are there other fun, morale-boosting activities we can do for the kids?
- PTO member email - Does anyone want to put together information or sit at the PTO table at Family Engagement Night? Put together a pamphlet?

### **Adjourn**

- Next meeting is on December 19th, 4pm, AMS Media Center.
