Current Business:

- Tracy Di Marco White provided background on the org's history, contributions to AMS, and current status.
- Need to formally elect one or two of the following Board of Director positions: President, Treasurer, and Secretary. A request for nominations for each position was made with the following responses:
 - President: Tracy Di Marco White
 - Treasurer: Kelly Conner
 - Secretary: Jason White
- Since each nominee was running unopposed, a verbal vote was called for each position. All positions were unanimously confirmed.

New Business:

- Fundraising to consider for the future: ISU Concessions, Ames High Concessions.
- There was discussion about researching ways the PTO can accept payments that wouldn't be tied to a personal cell phone or email.
- Member Brandy Cunningham mentioned a national Facebook group for PTO's that had lots of good ideas.
- There was discussion about finding out what restaurant nights other AMS clubs are planning for this school year so we are not competing with them if we choose to do one. Additional thought: the PTO could help promote those fundraising nights via email, Facebook, etc.
- Mr. Freilinger let the group know that there will not be conference days as in the past, so no need to provide evening meals. The idea of providing a breakfast or lunch for staff on an in-service day was discussed. Tracy volunteered to contact Mr. Freilinger to see what days or time of day would work. October 9 and November 6 are the next two dates for in-service days.
- There was discussion about organizing a family-friendly event like the Chili Chowdown or Pizza Palooza in January or February, 2024.
